The Women in Aviation International (WAI) Girl Scout Aviation Fun Patch is available for girls grades 4-12 through WAI and its chapters around the world to serve the World Association of Girl Guides and Girl Scouts. Girl Scout Fun Patches are worn on the back of the uniform vest to show participation and interest in a subject or activity.

The Patch program may be adapted to include challenges of varying degrees of difficulty for the different levels for girls ages 8-16 and within the Girl Scout organization, from Daisies and Brownies through Seniors and Ambassadors.

The WAI Girl Scout Aviation Fun Patch is available through:

- WAI Chapters for Girls In Aviation Day or other chapter-sponsored events
- Girl Scout troop leaders whose troops have completed the Patch Requirements
